

Caroline County Comprehensive Plan Survey 2026

Please complete this survey to help guide the 2026 Comprehensive Plan.

1. Do you believe there is a housing shortage in Caroline County?

2. What types of housing do you feel are needed?

3. Should the County establish public water and sewer systems to support new housing development?

4. Where should solar development be prioritized?

5. Should farmland and open space be protected from housing developments and large solar farms?

6. Do you have access to reliable high-speed internet and timely emergency services?

7. What are your primary concerns regarding healthcare in your community?

8. Comments or additional feedback:
